

At page 72, line 35, after "aa 315-329", please insert -- ; SEQ ID NO:1 --.

At page 73, line 24, after the last line of the legend to Table 13, please insert --The peptides in this table are represented by seq id nos:28, 35, 43, 37, 40, 42 and 1 --.

REMARKS

Submitted herewith are a computer readable form of the sequence listing on a single disc and a paper copy of the sequence listing of those sequences in the above-referenced application. Applicant's representative hereby verifies that this amendment does not introduce new matter.

Applicants are also hereby correcting a minor mistake in one of the sequences disclosed in the specification. At page 63, line 24, the sequence listed, KQUIINMWQEVGKAMYA, contains a typographical error in that the character "U" was inserted inadvertently. This oversight is being corrected so that the sequence now reads as originally intended, *i.e.*, KQIINMWQEVGKAMYA. This amendment is in accordance with the sequence described in the manuscript by Lasarte *et al.* (1992), cited at pages 63 and 76 of the above-referenced application.

No fees are believed to be due in connection with the filing of this Preliminary Amendment; however, should any fees under 37 C.F.R §§ 1.16 to 1.21 be deemed necessary for any reason relating to the enclosed materials, the Commissioner is hereby authorized to deduct said fees from Arnold, White & Durkee Deposit Account No. 01-2508/UTXC:538/HYL.

Respectfully submitted,

Steven L. Highlander
